🎨 你可能经常看到用 DALL · E 3 帮助工作的例子，但你也许不知道他居然如此擅长创作表情包 Meme.....（受@小冰-Smilence 启发）

Prompt 1: Drawing in grayscale, 16:9 aspect ratio. A fusion of the iconic Thousand-Hand Guanyin with doge humor. The primary face is a dignified doge, and every hand is replaced by a doge face, each exuding a distinct playful expression.

**5%**  
**STUDYING**

**STUDYING**

**SLEEPIN**

**35%**  
**PLAY WITH**  
**CHATGPT**

**40%**  
**SLEPING**

**SLEPING**

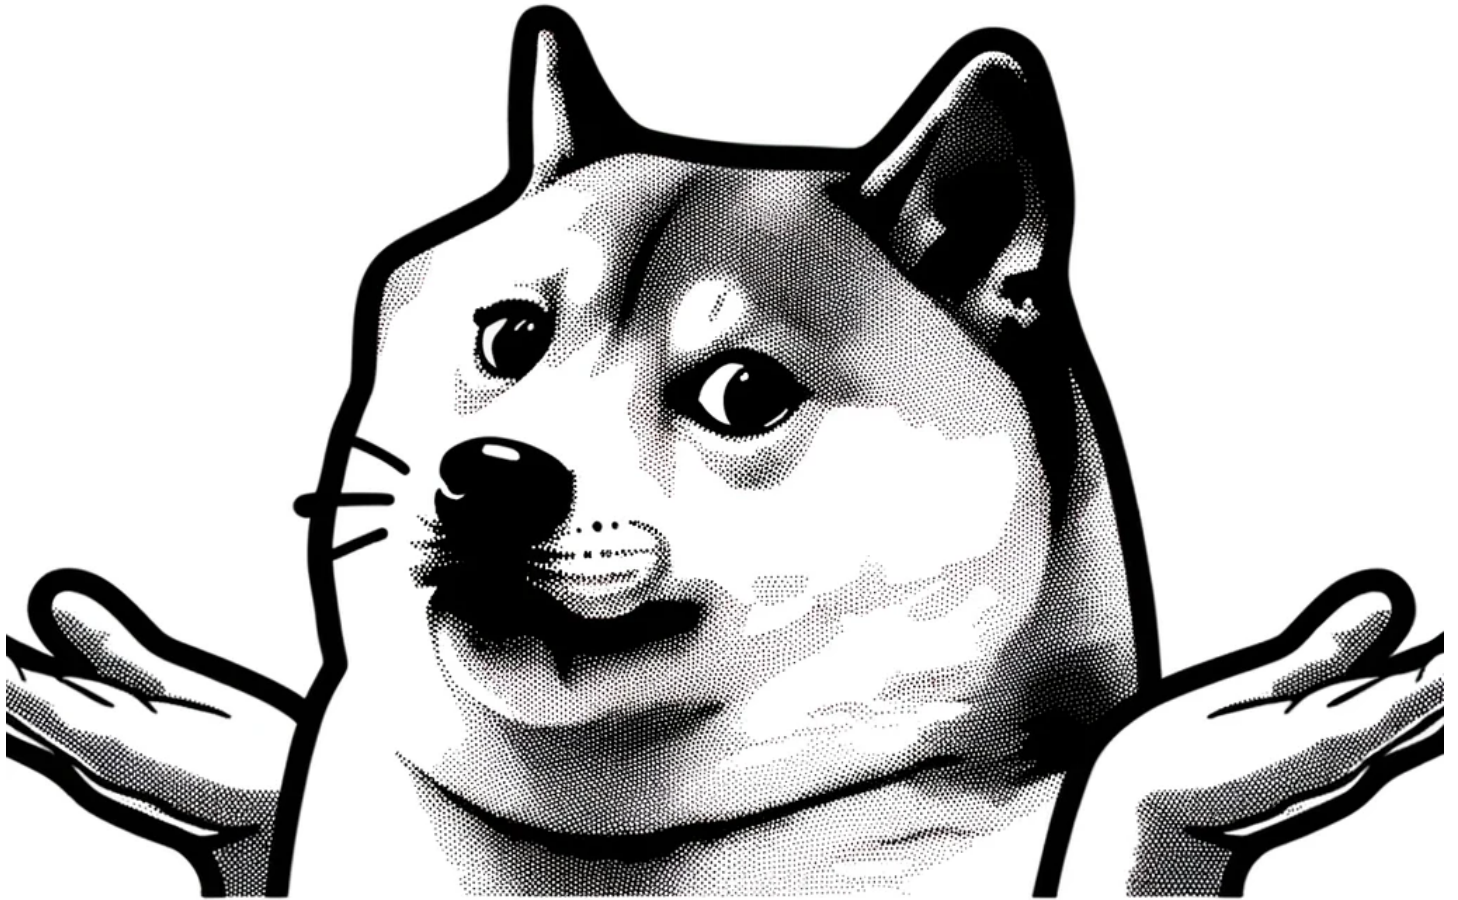

**40%**  
**SLEEPING**

**EATING**

Prompt 2: Photo meme in black and white style featuring a central doge face. Around the doge are humorous percentages with corresponding icons. '5% studying' with an icon of a book, '35% playing with ChatGPT' with a ChatGPT logo, '40% sleeping' with a pillow icon, and '20% eating' with a plate of food icon. Each percentage gives a comical insight into the doge's daily thoughts.

**LIKE**

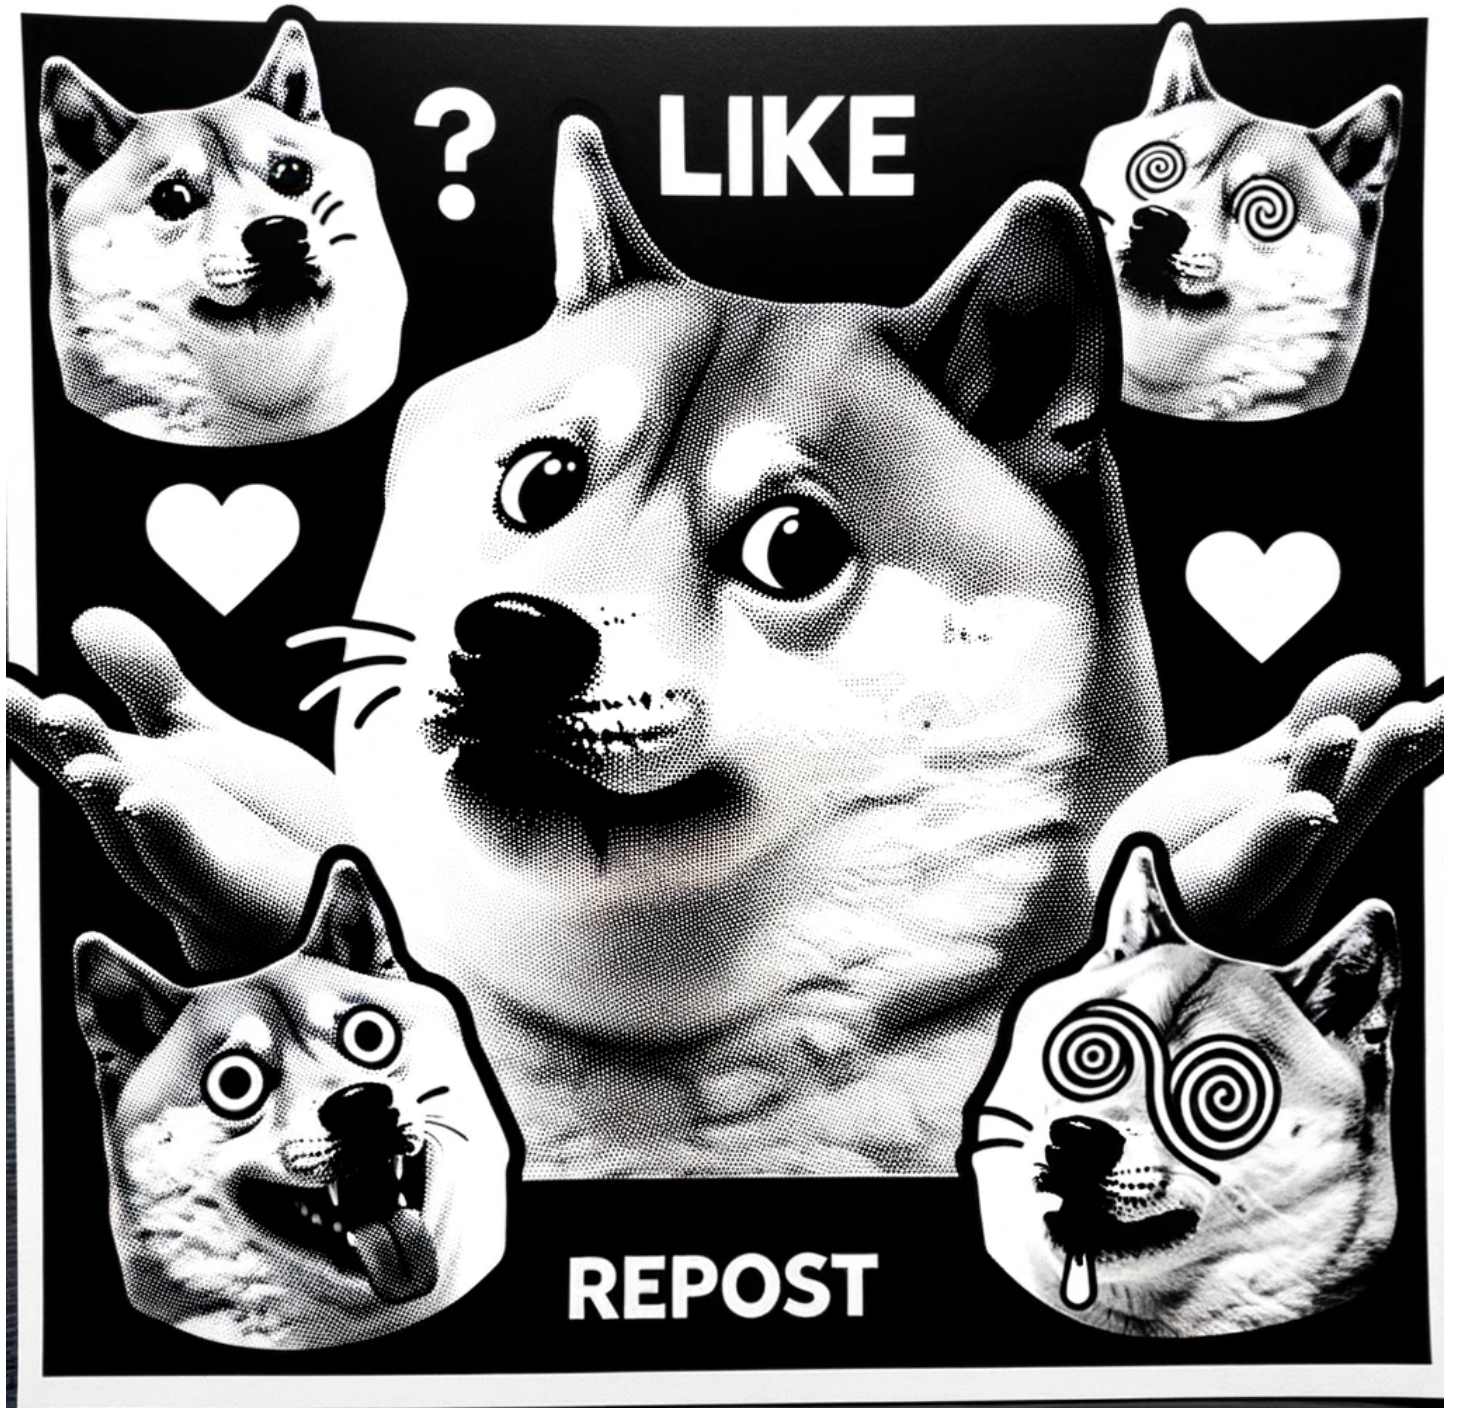

**REPOST**

**COLLECT**

Prompt 3: Black and white illustration of a doge face depicting a 'shrug' gesture, reflecting nonchalance. Next to the doge, clear and separate icons denote 'Like', 'Repost', and 'Collect', with each icon being distinct. (这个 Repost 莫名戳中笑点)

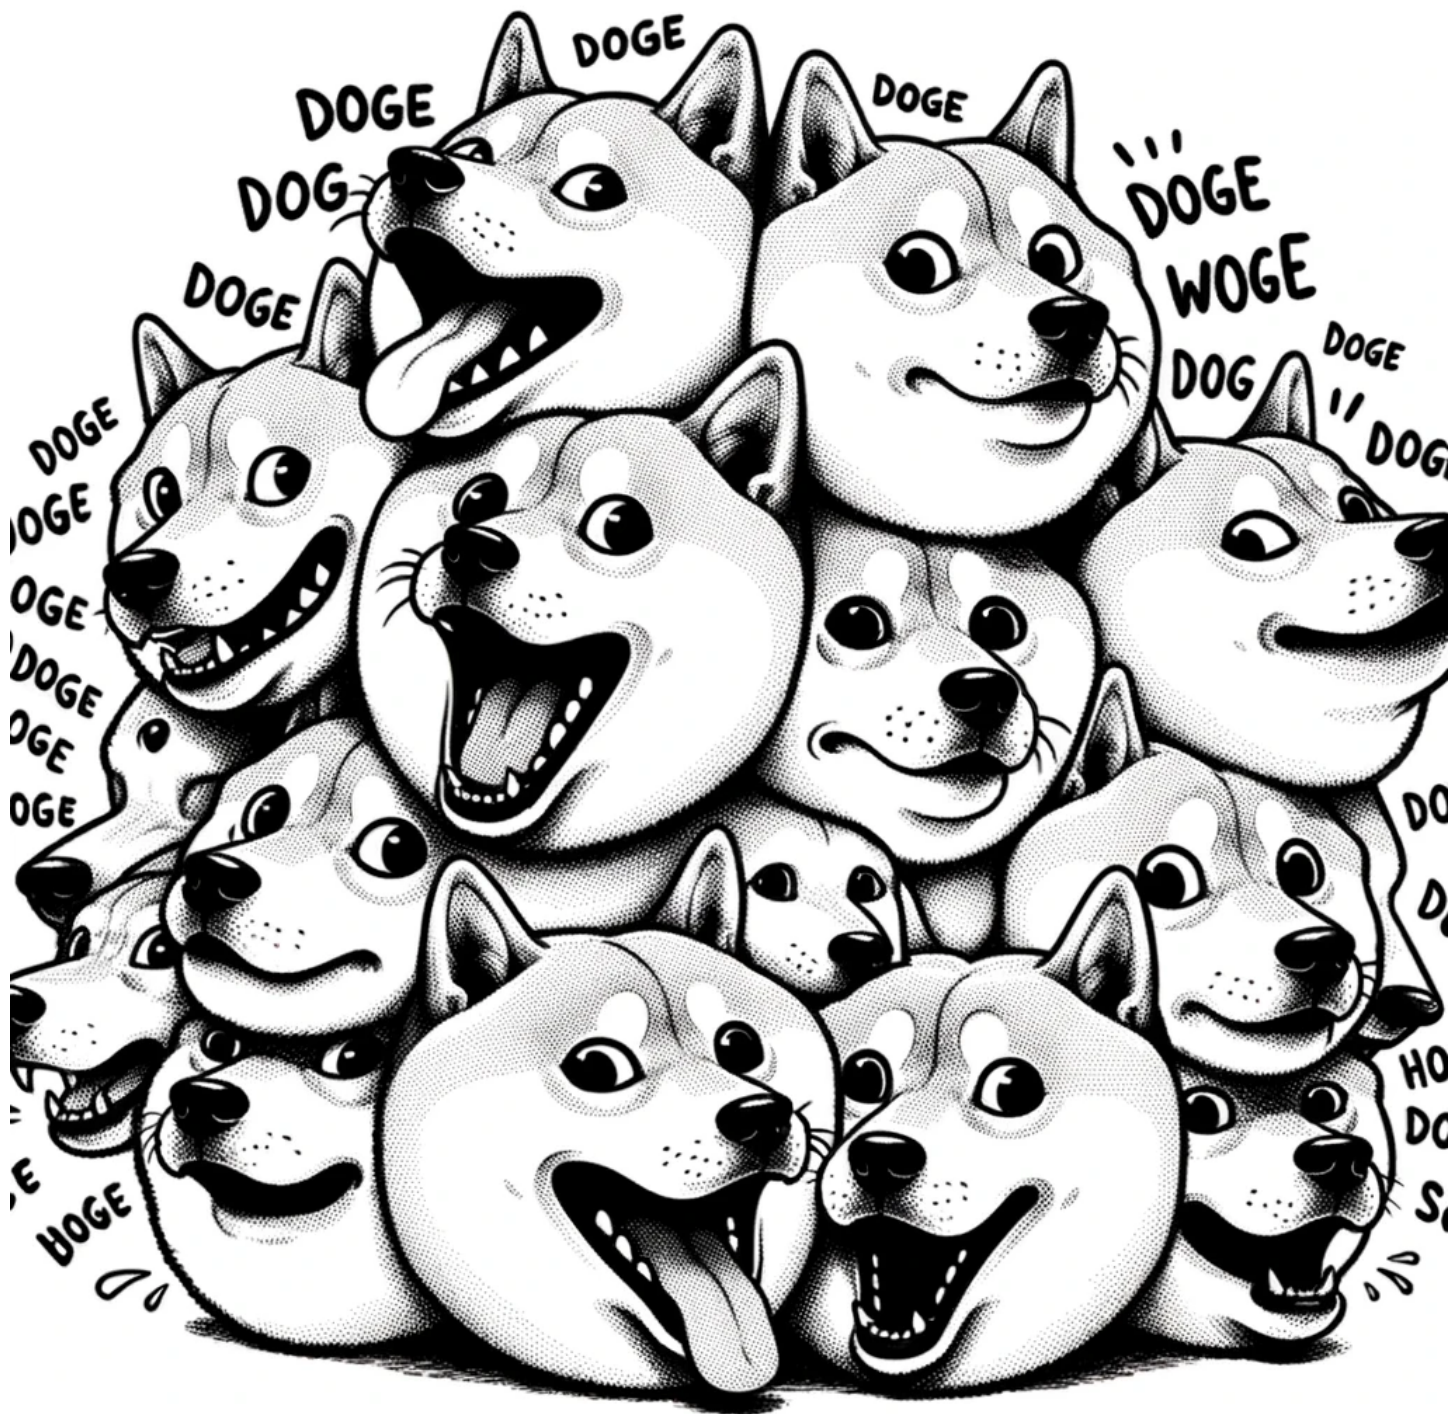

Prompt 4: Black and white photo illustration of a doge face in the center, looking utterly baffled with a humorous 'shrug' gesture. Adjacent to the doge, three doge face icons are displayed for 'Like', 'Repost', and 'Collect'. The 'Like' doge is smitten with heart eyes, the 'Repost' doge is dizzy with spiraled eyes, and the 'Collect' doge is greedily drooling over a bone.

Prompt 5: Vector meme in black and white of a doge depicted with three heads and six arms, exuding a calm, Buddha-like aura. Surrounding comical diagram elements point to the doge with arrows labeled '70% tranquility', '20% deep thought', and '10% in the moment'.

Prompt 6: 果你想要呈现出特定的表现结果，你还可以用比喻，类比等方法达到类似的画面。比如这里我想生成很多 Doge，那么也可以借助九头蛇等提示词。

Illustration in a black and white sketch style, focusing on humor and cuteness. A nine-headed doge creature is depicted, where each head is comically expressive. Some heads are chuckling, others are making funny faces, a few are curiously tilting their heads, and some have their tongues out in amusement.
